WHERE TECHNOLOGY MEETS TOURISM

1. What?
2. Tourism Industry
3. Participation Options
4. How?
5. Evaluation Criteria
6. Schedule
7. Intellectual property
8. Data protection

Only Innovative Companies are taking part of Tourism Innovation Summit to present their leadership and solutions to leaders from tourism industry

Tourism Innovation Summit is the professional platform to transform the **tourism sector** through innovation, technology, and sustainability. Advances in technology have changed the way we travel, increasing customer experience. In addition, being up to date with the latest solutions and business models that rethink our industry is key to the survival of any business that wants to continue operating.

Pitch your tech solutions, products, or services in front of an audience of high profile executives.

Countless ways to connect with Global Innovation Tourism Ecosystem of TIS2020

Private meetings with potentials partners and investors to develop your Project, together with an exclusive agenda to meet the innovative ecosystem of Seville.

A Gold Pass to attend to a high level agenda at the Tourism Innovation Summit.

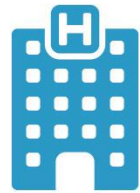

Selected solutions will be direct candidates in the Tourism Innovation Awards, and the **top 4 will test their solution in the Seville Urban Lab**

If you have a solution that can transform some of the tourism industry, this is your platform to boost your Project and to connect with the right stakeholders.
