City Sightseeing Worldwide will provide TIS Global Summit participants with a **complete tourist experience in Seville**, which will include the city's most iconic tours and attractions, making for a truly memorable congress.

City Sightseeing Seville Hop-On Hop-Off Tour

The panoramic double-decker bus offers incredible views of the city while providing interesting facts about the city's most emblematic sights.

Entrance to the Seville Aquarium

A surprising tour about marine species found by the Magellan-Elcano expedition on their first trip around the world.

River Cruise on the Guadalquivir

As the starting and ending point of the first circumnavigation of the world, the only navigable river in Spain featuring the only inland port offers a different view of Seville.

Plaza de España Guided Visit

The Plaza de España, a paradigm of regionalist architecture, is the emblem of the 1929 Ibero-American Exhibition and the backdrop of countless films.

Santa Cruz Neighbourhood Walking Tour

A tour of the windy streets and beautiful squares of Seville's Old Jewish Quarter, the city's most popular neighbourhood.

Guided Tour of the Triana Neighbourhood

Discover Triana's most authentic hidden treasures and the neighbourhood's identity on this guided walking tour.

Magallanes Walking Tour

A tour of the places that played an important role in the ideation of the expedition that would come to circumnavigate the world between 1519 and 1522.

Prima ego velivolis ambire cursibus Orbem,
Magellane novo te duce ducta freto.
Ambire meriti: vocor VICTORIA: sunt mihi

Tour of the Museum of Fine Arts

The second most important art gallery in Spain after the Prado Museum, the Museum of Fine Arts of Seville features a plethora of masterpieces by Velázquez, Murillo, Zurbarán and other artistic geniuses from the Golden Age.

Entry to the El Salvador Church

The city's second largest temple after the Cathedral has a rich history and is home to a countless works of art.

One of the greatest examples of the impressive baroque art in Seville.

Entrance to the Navigation Pavilion

A tribute to Seville's seafaring tradition found at the former site of the 1992 Universal Exhibition.

Entrance to the Casa de la Ciencia

An educational and fun interactive activity which gives visitors insight as to how the planet and life function.

Entry to the Perdigones Tower

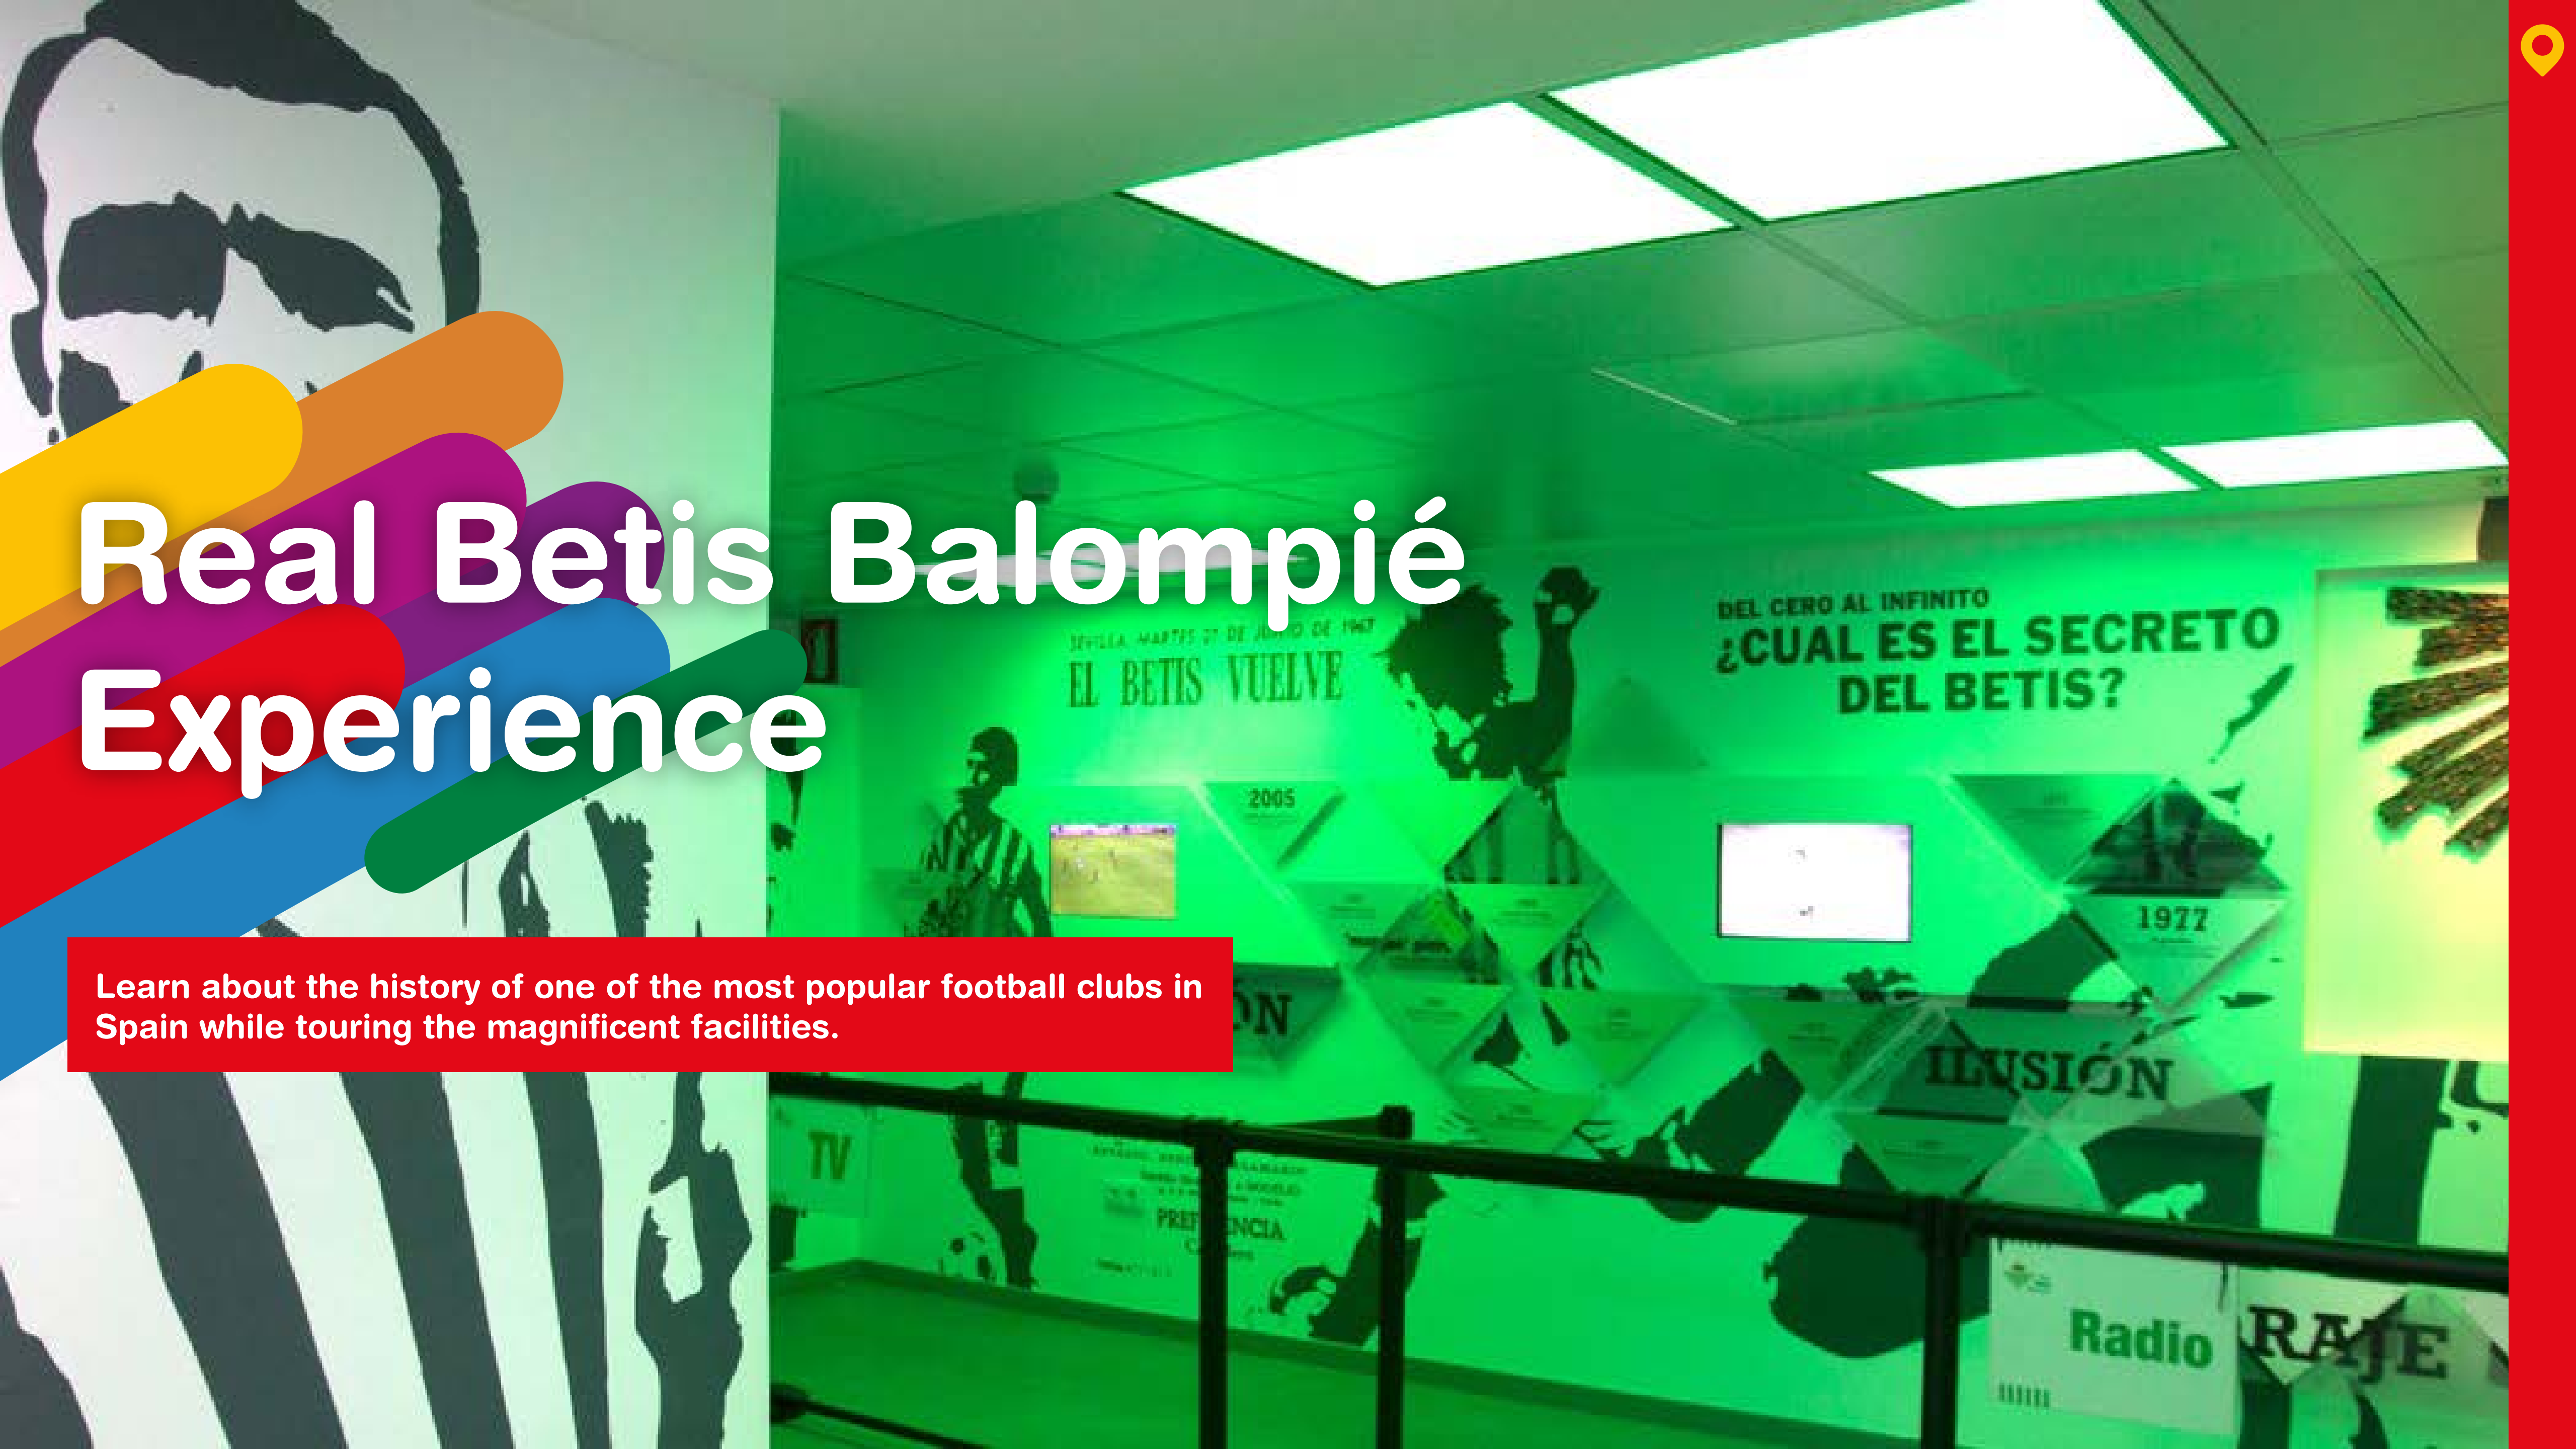

An opportunity to see the city in a completely different way through its camera obscura located on the northern edge of the historic centre of Seville.

Entry to the Church of Santa Ana

The newly built Christian temple dubbed the “Cathedral of the Triana district” that brings together art, tradition and devotion.

Real Betis Balompié Experience

Learn about the history of one of the most popular football clubs in Spain while touring the magnificent facilities.

How it Works and Validity

Attendees will be able to enjoy the city's most important tours and emblematic attractions simply by presenting a personalised QR code provided by City Sightseeing to a tour guide or the entrance of a local attraction.

These codes will be valid from the 25-29 November to allow congress participants and their companions to enjoy all these wonderful experiences.
