We gather the most innovative and disruptive startups to transform the tourism sector

Innovation often comes hand in hand with cooperation between corporations and startups. That is why **Touristech Startup Fest** is the initiative, held within the framework of **TIS**, which brings together the most innovative entrepreneurs with projects that can transform the tourism sector through technology and sustainability.

The Call for Innovation plans to convene more than 400 startups that will present their **innovative project** to be one of the 40 lucky ones who will be able to make a **pitch** in front of investors, Venture capital and leading companies on November 12th at Tourism Innovation Summit. The 4 winners will have the opportunity to test and implement their technological project in Seville.

The startups will have the opportunity to be part of **the first world's tourism startup atlas** that we are building.
